## FORMATION ET ACTIVITES PROFESSIONNELLES

- Sept. 2000**      **Professor** at *Ecole Nationale Supérieure de Chimie de Rennes*, France, (speciality *Physical, Theoretical and Analytical Chemistry and Solid State Physics and Materials*, UMR CNRS 6226 Laboratory "Sciences Chimiques de Rennes", Team "Chimie Organique et Supramoléculaire". Collaboration with Professor Thierry Benvegnu in the field of organic and physical chemistry of lipids and surfactants.
- 1999 - 2000**      **Scientific Assistant** at the University of Geneva, Switzerland, in the group of Professor Andreas Hauser concerning the project TMR-TOSS (Transit and mobility of researchers: *thermal and optical spin switching*).
- 1999**      **Habilitation to Direct Research** at the University of Rennes 1, France ; Jury consist of Professors Marcel Bertault, François Varret, Claude Ecolivet, Andreas Hauser, Jean-Pierre Tuchagues, Silvio Decurtins, Leo Klasinc and Jacky Evan.
- 1998 - 1999**      **Assistant in teaching and research** at the University of Rennes 1, France, in the Group of Condensed Matter and Materials UMR CNRS 6626 under the direction of Professor Hervé Cailleau.
- 1997 – 1998**      **Post-doctoral research** at the University of Versailles, France, Laboratory of Magnetism and Optics UMR CNRS 8634 under the direction of Professor François Varret.
- 1997**      **PhD Thesis**, University of Berne, Switzerland, entitled « *The Influence of Pressure on the Thermal Equilibrium and the Relaxation Dynamics in the*

*Iron(II) Spin-Crossover System  $[Fe_xZn_{1-x}(ptz)_6](BF_4)_2$ .* Jury composition: Professors Andreas Hauser and Gion Calzaferri, note : very good

- 1993 - 1997** Assistant of Chemistry at the University of Berne, Switzerland, Department of Chemistry and Biochemistry.
- 1991 – 1992** Training course at the University of Basel, Switzerland, under the direction of Professor John Maier.
- 1985 – 1991** B. Sc. and M. Sc. in Chemistry, University of Zagreb, Croatia directed by Professors Tomislav Cvitaš and Leo Klasinc and the Center of Nuclear Research in Jülich, Germany, under the direction of Professor Dieter Kley.

## LANGUAGES

Mother tongue : Croatian

Other languages : French, English, German (fluently), Suisse German (basic knowledge)

## BOURSES

Fonds National Suisse pour la Recherche : bourse post-doctorale en 1998

Rennes Metropole : Allocation d'Installation Scientifique en 2004
